### **Local Stained Glass Artist Receives Prestigious Art and Architecture Award**

Local stained glass and liturgical artist William Lupkin, of *William L. Lupkin Designs*, recently received the prestigious *Art and Architecture Award* from the Lutheran Church Missouri Senate (LCMS). Lupkin was awarded *Best Ecclesiastical Art* for the stained glass windows he created in Ebenezer Hall at Emmanuel Lutheran Church in Fort Wayne, Indiana. The award, sponsored by Lutheran Church Extension Fund (LCEF), was presented Sunday, November 17, 2013 before the administration, clergy, and congregation and Emmanuel Lutheran Church.

To view photos of these windows and other of Lupkin's masterpieces, visit [www.williamlupkindesigns.com](http://www.williamlupkindesigns.com).

William L. Lupkin Designs offers the services of total design, fabrication, and installation of leaded stained glass, mosaics and murals; and the restoration of religious, commercial, and residential stained glass. The artists and craftsmen of Lupkin Designs have experience in all phases of the stained glass industry, from fully painted stained glass, leaded art glass, and mosaic. All work, whether it is new or restoration, is designed to meet a clients' needs and individual tastes.
