Members of The Fort Wayne Magic Club Set To ‘Show Their Stuff’

Fort Wayne, IN – Byron Health Center will host ‘A Night of Magic’ on Thursday, May 16<sup>th</sup>, as part of its National Nursing Home Week celebration, with doors opening at 6:30 p.m. and the magic starting at 7:00 p.m. Members of The Fort Wayne Magic Club will hit the stage for this multi-focus magical event in the Byron Health Center Eakin Family Room, 12101 Lima Rd on the north side of Fort Wayne.

Residents, guests, team members and their families will enjoy a distinctive magic show designed with the entire family in mind. The parents will have as much fun, if not more, than their children. ‘A Night of Magic’ is open to the public and admission is free.

The Fort Wayne Magic Club magicians plan on interacting with the crowd prior to and during ‘A Night of Magic’. Attendees will delight in the ‘up close and personal’ card tricks, illusions and other fun presentations. The show is sure to keep everyone wondering and talking about it for days afterwards. “A Night of Magic will be a great event for families to enjoy an evening out together as we celebrate National Nursing Home Week,” said Chris Buckland, Byron Health Center’s Director of Life Enrichment. “It’s also a great event for introducing audiences to live magic entertainment. The families will be absolutely enthralled with The Fort Wayne Magic Club and their unique mix of comedy and magic.”

Some complimentary refreshments will be available during the performance. Seating is limited, so it’s recommended that those interested in attending please arrive early to secure a good spot. A Night of Magic will last approximately one hour.
